Mary introduced us to her fiancé, Joseph Barrett, and the introduced our guest speaker, Leon Fontier, founder of Habitat Technologies Solutions for the Congo. Leon was born in the Congo, he moved to the United States, married and moved to upstate New York in 1972. Leon explained that the Congo is one of the neediest countries in the world. Water and sanitation needs are great. To help these needs HTS Congo is looking to ship 20 ft. tool box kits that include everything to drill wells and set up sanitation needs. It also helps educate to people on proper sanitation. In essence they want to empower people with tools and knowledge to make healthy choices. At this time they need to raise \$50,000-\$60,000 to get the ball rolling.

Darlynne asked us about participating in the Trumansburg Winter fest which will be held on Friday, December 6th from 5-9 pm. She asked for a commitment and the club agreed to commit to the Winter fest and we will decide what we will do at the next meeting.
