The meeting was brought to order at 6:35. President Zoren told about the highway cleanup. Everything went good. Zoren, Shelly and Kym did the cleanup and collected about 4 trash bags full which amounted to around 120-130 lbs. of trash. The biggest find was a full unopened can of beer which was promptly thrown out.

Joel talked about the Chris Bond Run and stated that 47 applications have come through as of today. Tent setup will be Saturday the 19th at 9 am. We need more help with the tent set up. Bill will take care of getting the water for the runners. The Superintendent of Trumansburg schools will start the race. Kathy Bond will provide the cookies. Medals will go to the winners of each category and ribbons will go to the students of the Fun Run.

We still need volunteers for registration and T-shirt sales. Frank has sent out a sheet letting everyone know what has been done and also what needs to be done and where help is needed.

Ben C. talked about the Foundation and asked for the club to continue to be a 100% giving club. A vote was taken and passed. A motion was also made to have the club match 50% of the giving for each member with a limit of \$1500 total. This was also passed.

Next Ben spoke of the Nepal project and Ithaca Noon and Dryden Rotary Clubs are interested. We will try to bring other clubs in the county to join in so it is a full county International project and also may ask some clubs outside the county and district if they would like to participate.

John told us that he presided over the funeral of Stan Koskinen who was Trumansburg Rotary Club President 1982-1983.

Cindy asked anyone who was interested in attending the Foundation Dinner on Sunday, November 4th, to let her know. A check will be sent from the club and we can make our checks out to the club. The cost is \$40.

Kym told us that the Trumansburg Schools are willing to give us used books and so far 80 have been collected. It was discussed to store the books at the school until the end of the school year and then we can gather them and box up for Books for the World.

Lisa reported that she is having a great time and making lots of friends but can't remember all their names.

Maria reported that she is on the X country team, is doing great in school and meeting more people all the time. She is also taking ballet classes.

Meeting was adjourned at 7:58 pm.

FOUR WAY TEST

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better friendships?
4. Will it be beneficial to all concerned?
