Cindy again asked anyone who wants to go to the Foundation Dinner on Sunday, November 8th, to let her know so she can get the reservations in. Next Thursday will be the cutoff. She would like to see 100% participation from our club.

Mike B. went over more duties for the Chris Bond Run. Details for signing up for helping were gone over. He is resending the login link to sign up for details as the first one he sent was incorrect. You can sign up from here if you want, just click [Chris Bond Work Sign Up](#).

Mike is also going to have an on line store link soon for anyone who wants any CBR items such as hats, mugs, etc. This will run for two weeks after the run.

Right now we need t-shirt sponsors so try to find some.

Pelly showed us her latest project, Tangy Bodangy.

The club thanked Kathleen for working on a financial statement for the club. We went over the statement line items and are now going to be able to better report our club funds.

The Budget and Finance will get together soon and present a budget for the club.

It was reported that we could not get funding from the District for the Binoculars for the school and we discussed ways we could fund the project with our club funds. A motion was made to fund the project, which would cost \$2200 for 22 binoculars. The motion passed.
