President Bill started the meeting by introducing the Robotics Club and after our meal they put on a demonstration of what tier club does and gave us a little history of the club and how the competition is scored. This club is ranked high within the Robotics league.

Mark Baumann talked about Share the Warmth and told us that the Shur Save will allow us to have the box at their store beginning Friday, November 11th.

Mark also reported that the Election Day Chicken BBQ netted \$754 and we were sold out by 1 pm. Mark will also have the Chris Bond Run figures for us next week.

Cindy asked if we wanted to a family for the Christmas Bureau and the club decided to do a family with three children. She also asked us about ringing the bell for the Salvation Army and we are going to do December 17th all day. Cindy will send out a sign-up schedule so we can pick a time.

Rodrigo told us that he had a good week and that his host family was upset with the election results. Emilie talked to her mother this week and she wanted her to come home. It has been a hard week for Emilie, she was homesick but is working through that.
