The meeting was brought to order by Past President John Kotun at 6:30. The Robotics Club of Trumansburg School had two teams present that gave a demonstration of a project they put together that involved picking a natural disaster and showing how you could help the people. The first group had a dust storm kit which included a mask and goggles and they demonstrated the use of both and why they would be helpful.

The second team had a mudslide kit which included all the necessary items to help with survival until major help could arrive.

Both were presented by the students as part of the project.

Ben C. told the club of the awards our club received at the Foundation dinner. Among the many awards our club received were for 100% participation in giving to the Rotary Foundation and 4th highest in the District for per capita giving.

Ben C. then explained the Rotary Foundation to our new members and guests.

Zoren had the pleasure of giving Peggy Haine her first Paul Harris award!!!

Next President Zoren inducted two new members to our club-Mike and Char McGuire. We are now the proud Rotary club of 3 husband and wife members.

Kathleen showed us a newspaper article that had DG Tom's picture and promptly paid his \$5 fine.

President Zoren promptly paid his \$20 fine for his picture in the Ithaca paper and it was front page and above the fold, thus the heavy fine.

The Salvation Army bell ringing at the Shur Save was discussed and this is the schedule for Saturday, December 14th:

9-10 Tom and Kathleen
10-11 Peggy and Maria
11-12 Ben and Cindy
12-1 Kym and Maria
1-2 Bill and John
2-3 Zoren and Shelly

The Trumansburg Honor Society will fill in the rest of the day and if your name is not here and you would like to help, please feel free to step in and ring with ones already there.

There will be a future discussion about giving Ann Russell a Paul Harris Fellow.

Zoren thanked Ben G. and Bill for the good work on organizing the BBQ trailer. It was so much easier to find things and put them back in their proper places.

Zoren also reported that the Share the Warmth boxes were put out at the bank and Shur Save.

Char brought up the Winter fest and roasting chestnuts. We will follow up on this next week.

The club discussed having a BBQ to buy a shelter box for the Philippine storm victims. It was decided to buy the shelter box now and replenish funds from the BBQ. Further discussion will be held as to when to have the BBQ.

Maria reported that she had a normal week and received her report card and did well. She is taking ballet classes and loves them and is excited about going to Disney World on Monday.

Liza reported that she changed her schedule in English and is much more comfortable with the class now. She is also excited about going to Disney World on Monday and reported that Chip the cat is doing well.

Meeting was adjourned at 8:15.

If one is admitted to membership in the Rotary club, they will enjoy the broadening influence of contact with men and women of all vocations.
