11/27/14	
12/4/14	Club Assembly
12/11/14	T. Overbaugh
12/18/14	Club Assembly

President Mark was glad to see Durand back now that Roller Derby season has ended.

Shelly told us that Youth Exchange interviews went well last week and this Saturday they wind up in Oneonta for the rest of the interviews. On December 7th students will be notified if they have been selected and December 17th at the Holiday Party they will be told which country they will be going to.

Frank attended the joint service clubs meeting at the invite of the Ithaca Rotary to hear Cornell President Skorton. Frank had the pleasure of sitting at President Skorton's table. Mr. Skorton will be leaving Cornell to his new post as Secretary of the Smithsonian in Washington, DC.

Mark reminded us that the District Conference deadline for early registration is November 30th. The cost will go up on December 1st. Please check the [District website](#) for more information.

The Share the Warmth boxes are now getting full and Tom and Kathleen will be emptying them this weekend. There will be a sorting of coat on Monday, November 24th at 212 Hungarford Hill Rd., Ithaca, from 5-7, if anyone is interested in helping out.

The Trumansburg Winterfest, on December 6th from 3-7, was discussed and we will be setting up in front of Life's So Sweet Chocolates. Char and Mike will be there early to help set up. We had volunteers for one hour time slots. They are as follows:

3-4 Mike and Char McGuire

4-5 Shelly and Zoren

5-6 Ben Guthrie

6-7 Lennart

Anyone who would like to also help out can come at any time.

Bill told us that the Salvation Army contacted him about bell ringing at the Shur Save this year and Bill will get back to us with the date.

There was discussion on the Wheelchair Foundation as a few members looked into it. After a brief discussion a motion was made to get one wheelchair for \$150 and this was passed.

Kathleen told us that the Trumansburg School Foundation will be at our December 4th meeting to give a presentation.

Sandy List will also be here that date to discuss funding for the Trumansburg Conservatory.

We did receive the project number for the Global Grant for the Ecuador Prosthetics project and will be sending out a check. Ben Curtis told us that with that donation the club will have enough points to award a Paul Harris Fellow to Ann Russell. He will work on getting the needed information for this.

Durand told the club that Mike Griswold donated a face cord of wood and Durand donated a handmade wood rack for a raffle to raise money for our club. Durand will work on the posters and tickets for us to sell at the Winterfest and the drawing will be at our Holiday party.

Lennart told us that he went to see his host brother at the Robotics competition. Their team won the Core Values prize and he is also going to North Carolina over Thanksgiving to be with his host family's relatives.

The meeting was adjourned at 7:42 pm.

HAPPY DOLLARS
