The meeting was brought to order at 6:35. Guests were introduced and they were Mary's fiancé, Joseph, Jacob Robson and rep for pellet burning systems and a guest of Bill's and our guest speaker, Frank Towner, CEO of the Ithaca YMCA and a member of the Ithaca Noon Rotary.

Darlynne updated us on the Trumansburg Winterfest and needed to know if we wanted a booth and what we would be providing at the booth. It was decided that we should do hot chocolate as chestnuts was too expensive and time consuming.

Next, our guest speaker, Frank Towner, gave us a brief history of the YMCA and all that it offers. Before beginning, he recognized Frank Zgola as an active Board member of the YMCA. They added a gym in 2002 and have a day care. They support the less fortunate who cannot afford many of the plans they offer and last year they gave out \$136,000. There are many new updates coming for all walks of life and many family themes.

Bill reported that the Share the Warmth boxes are out and have been emptied once and thanked Mark for helping with the loading.

Meeting was adjourned at 8:03.

If one is admitted to membership in the Rotary club, they will enjoy the broadening influence of contact with men and women of all vocations.
