Ben G. told us that the shelter box we sent to the Philippines does not have a tracking number but assured us that it is there.

A sign-up sheet was passed around for volunteer to sign to help with the distribution of gifts and food at the Historical Society on Saturday the 21st.

Bill stated that Share the Warmth was over and many coats were collected and boxes will soon be picked up.

Frank passed around contribution cards for the YMCA.

Kym told us that her daughter, Chelsey, will be going to Uganda for six months on a humanitarian project.

Shelly then presented our two outbound students a gift to help them with organizing their year away.

Christmas is a practice day. Men and women put into practice the best precepts they have learned, the best they know, and the best that is possible for them ever to know. Giving takes the place of gaining and if the future growth of Rotary is as remarkable as its past and if Rotary remains true to its highest ideals, every day will be Christmas by and by.
