At the beginning of the meeting a moment of silence was given for the passing of Dave Derr from the Bainbridge Club. Dave and his wife Judy helped us with the Visioning process last fall and he was going to serve as District Governor in 2018-2019.

Our guests were introduced:

Coleen Boland, a new resident in Trumansburg and brought here by Bill Overbaugh, Margo Zgola, Frank's daughter, who had been living in Japan, Leah Baumann, Mark's wife, and Tom Prisloe our guest speaker.

A thank you was read from Kendra Trimm for our help in ringing the bell for the Salvation Army this year. They raised \$9120 partly through our efforts in bell ringing.

A thank you was read from the Christmas Bureau for our participating in their Christmas gift campaign again this year.

A thank you was read from Common Hope for your \$400 donation to their Un-sponsored Children Fund in Guatemala.

Kathleen undated us on the binocular project, which we have already contributed \$2300. They are having trouble getting the binoculars so Zoren offered to get together with Mike McGuire to see about purchasing the needed binoculars.

A letter was read from the American Legion asking for our help in raising much needed money for the post. We will discuss this further at the next meeting.

Char introduced Tom Prisloe our guest speaker. Tom's son, Will, is one of your outbound Exchange Students to Denmark. Tom says that Will has said this is the best year of his life and it is a big step in helping him mature.

Tom told us that he builds classical guitars and explained how the guitar works and then showed us how he makes them. Tom went into great detail passing around parts and telling what part they played in the development of the guitar. It was a very interesting presentation.

Meeting was adjourned at 8:17.
