Ben Curtis informed us that he is looking into increasing the Nepal Project grant by \$23,000, which will increase the latrines to 551. Ben proposes on doing this by using \$1000 of our matching Foundation money to help seed the pledge to the grant amendment.

Peggy passed around the sign-in sheet for April 9th and 16th to sell Supermarket Sweeps tickets at the Shur Save.

Kathleen will send out a schedule of the sessions that will be held at the District Conference.

Our guest speaker was Rordan Hart, a Trumansburg Village Trustee. Rordan is also employed by H & H Financial as a Financial Planner.

Rordan has been a trustee since 2007 and also served as Police Commissioner. Rordan talked about the sidewalk expansion and sewer rebuild.

After years of planning the Village finally found a backup water supply and hope to have it on line by 2017.

Rordan also pointed out that property taxes are not involved with these projects.

Nina reported that she was in Montreal, Canada for a few days and was able to speak French and loved it. She also helped serve at Loaves and Fishes and recently moved to her new host family and realized that she has too much stuff and told us that her parents are coming to visit in April.

Meeting was adjourned at 7:53 pm.
