The meeting was brought to order at 6:30. President Shelly told us that Yukako Ode only had around 2 weeks left here. She leaves to go back home to Japan on March 19th.

Cindy informed us that with Joel Abrams leaving the club she will be changing the dinner schedule, so be sure to check the schedule each week to know when you will be cooking. She will be sending out a revised schedule soon.

Ben C. informed us that his daughter, Lauren, will be coming home on March 16th so he will not be able to bowl. He also told us that everything is set for the "Tournament". We all agreed to go to "The Haunt" for dinner after bowling. The times of the bowling are 3-5:30.

Ben also reminded us to start thinking of the golf tournament in July. It's never too early to start working on prizes and players.

Along with all the other reminders, Ben reminded us to give to the Foundation so we can have 100% participation again this year. It is a worthy cause.

Shelly passed out tickets for the Supermarket Sweeps which will be held on Tuesday, April, 16th at the Shur-Save. Tickets are \$5. Let's make this another successful year.

Our guest speaker was Tom Turck from the Cortland Rotary Breakfast Club. Tom spoke on the Guatemala Water Project that he would like clubs to help with. The Cortland Rotary is trying to make this a District wide collaborative project. One of the main reasons this is important is because over 90% of the water there is polluted and without water there is no life.

We discussed the Easter Egg hunt and decided not to have one this year.

Peggy suggested that we put in for the \$1000 grant and use the money for purchasing a high quality scanner for them to preserve historical data on Trumansburg.

Mary Bouchard will be competing in the Tough Turtle obstacle course on April 20th to benefit Ithaca Children's Garden. The club voted to give her \$100 towards this cause. Mary will keep us up to date on the event as it draws near.

Meeting adjourned at 8:12.
