The meeting was brought to order at 6:33. Zoren reported that the BBQ for Trumansburg Travel Baseball sold out and was a big success. A financial report will be given next week.

Durand introduced Mike Perry and Anthony Ouckama who are taking the place of Nancy Irish for the Big Friends/Little Friends organization. They introduced Bobby Gates, an 8th grader who is a BF/LF. They thanked us for all the help that we give their organization. Right now they have 10 “matches” and are trying to get more interest in the organization. Preparations were discussed for the upcoming BBQ for them and things are pretty well in place.

Durand reported that the Save-A-Lot store will be opening in a couple months under a new venue and we will no longer be able to use the lot for our BBQs so Durand is going to ask the Village about the space at the end of Rt. 227 as a possible BBQ site and Mark is going to check with the Farmer’s Market as another possible site.

Ben C. reported that the rain date for the golf tournament will be July 18th. Ben will also check out the new vendor at the golf course and get information about our club having dinner there one night so we can introduce ourselves. Ben will also get back to us with a task list of things to be done to help with the golf tournament.

Zoren told us that Mike B. will get back to us in a few weeks with details about the Chris Bond Run.

Giving to the Robotics Club was discussed and a BBQ will be done at a later date as they will not need much funding until later in the year.

Ben C. will discuss the Foundation and present a side show so everyone will gain more knowledge about the Foundation and how it works and where exactly our money goes. Ben is going to do this next week. He is, again, asking for 100% participation from our club.

Meeting was adjourned at 7:55.
