Ben C. reported that we are coming along with the golf tournament and right now the need is prizes, prizes, prizes!!!! Cindy will get a list of past prizes out to everyone so they can see what has been given in the past.

Ben C. also reported that the Foundation giving is coming in on schedule. He talked to Kit and Bob Frank about their project and the need for equipment in Ebara, Ecuador. They want to do manufacturing of prosthetics. The Global grant will help do this. A motion was made to pledge \$500 to the project and it was seconded and passed.

Liza, our Exchange Student from Hungary gave her presentation on her country. It was noted that there are 22 wine regions in that country. Some of the parts of the country wear traditional garb while others have gotten away from that for more modern styles. In her town most of the people work in factories which consist of sugar, paper and bicycle factories.
