Our meeting was held at the Trumansburg Golf Club tonight. Right after the meeting started, Patrick Mitchell told us that it is with a sad heart the both he and his wife Lindsey with have to drop out of the club as their duties will be taken up with caring for Lindsey's mother and father who has ALS. They have had to move in with them in order to be caregivers. We told them that we will be there for them if anything should arise and they need our help.

President Mark told us that the awards ceremony was very nice and all the Rotary Clubs were recognized. *Editor's note: Please see last week's minutes for details.*

Cindy and Kathleen talked a little about the District Conference and noted that Trumansburg received three awards: 100% Membership Retention, Highest Attendance at the Foundation Dinner and Best Shrimp Dinner when DG Pat attended our meeting.

Ben G. reported that the BBQ last week raised \$400 and Julia, Mike Jimenez's daughter, along with Mark's wife did an outstanding job serving.

Bill told us that Ehrhart's bought a washing station and hot box for the BBQ.

We will also check into District Grants, which is due May 31, for the Backpack program and also the Library.

Ben C. also reminded us that if you haven't given to the Foundation, there is little time left and our club did agree to 100% participation.

Ben C. also talked about the golf tournament, which is coming up sooner than you think and he would like to see more hole sponsors as that is what makes us money and we also need to be thinking about gifts.

It was reported that the money we collected for the Nepal project did make it destination and pictures of their progress will be coming soon.

Penelope had a joke for the meeting:

How do you fix a tomato that has been sliced?????

With tomato paste!!!!!!!!!!!!!!

Kathleen introduced our guest, Kim Schenck from the Dryden Rotary Club, who is helping Kathleen with the Youth Exchange.

Meeting was adjourned at 7:58.
