At our meeting this week we had a surprise guest, Chelsea Starkweather Winene. Chelsea is a former exchange student who went to India. Chelsea told of her journey since becoming an exchange student. She has gotten married and she and her husband have started a foundation in Africa. Chelsea brought along some carvings that her father-in-law carved. They were very interesting carvings.

Is that you, Frank?

President Mark brought up the fact that we just lost 3 members and asked us to think about doing a Visioning project or staying the same as we are now.

Cindy mentioned that very few people are responding to the upcoming week's dinner and sometimes it is hard to know just how much to make. Please be considerate to the person cooking and respond to the address given so we have enough.

Ben C. also commented that we need to concentrate on attending the meetings more often. We would like to see everyone attend at least two meetings a month, if possible.

Ben C. also asked for anyone who hasn't given to the Foundation yet should do so very soon. As a club we did vote on having 100% participation and all you have to give is \$10 and you have participated. That is merely the cost of one dinner.

The golf tournament is fast approaching and we do have around 9 teams signed up and we would like to have the course full. Getting hole sponsors is a great thing, as it is “free money” so Ben encouraged us to work on that. As many of you know gifts are important and start going out to get them.

Mark reminded us that next week Big Friend/Little Friend will be speaking to us and hopefully also Kathy Bond. We want to present them both with checks.

Mark would like to have a BBQ on June 20<sup>th</sup> in honor of Father’s Day. We will discuss the arrangements at a later meeting.

We have the materials from Kym for Adopt-A-Highway and President Mark would like to do this on June 13<sup>th</sup>. Arrangements will be discussed next week.

Due to the Mitchells not being at the meeting, Mary Guy-Sell has offered to do dinner next week. Hopefully those who will attend will respond to her.

Meeting was adjourned at 8:05.
