### Annual Golf Tournament

The meeting was called to order at 6:32. President Shelly welcomed our guests, the Pritts family and the Connor family. Both have students going to RYLA next week and our guest speaker Dakota Potenza.

Ben C. talked about the golf tournament and the need for gifts and teams. To date we have 8 paid teams with several committed teams. Mike Brainard has the food taken care of. Things look like they are coming together but the need for gifts is still there.

Cindy read a note from Bob Waller. He is in Portugal now but too far north to be able to attend the Rotary Convention. He is sending his money for honorary dues.

Peggy and Ben G. reported on the Rotary Social that will be held next week at the Trumansburg Conservatory from 5:30-7:00 pm. They are hoping for about 60 Rotarians to participate. They have asked our club members to please be at the Conservatory between 4 and 5 pm to help set up for the gathering. It should be a fun time for everyone to mingle with other Rotarians from around the county.

Frank talked about the RYLA and introduced the two students that will be going this year. (Kevin Pritts and Saige Connor) This is the 31<sup>st</sup> year that the district has been doing this. There is a change in venue this year and the RYLA is being held at SUNY Oneonta instead of Hartwick College.

Mark Baumann introduced our guest speaker, Dakota Potenza, of Renovus Energy. Mark gave a wonderful presentation on solar energy and how you can use this in your home or business.

Meeting adjourned at 8:19.

There is no secret, of course, to Rotary's remarkable success, and I don't mind letting it be known. Rotary has succeeded because in Rotary the standing of the person depends upon his or her deeds, not his or her creeds, and because its course leads toward the brightest and most alluring human objectives: the brotherhood of man, or the fellowship of humanity.
