President Mark introduced the Big Friend/Little Friend guests, Anthony, Glen (11th grader) and Turner (5th grader). They told about some of the things they do together such as bowling, visiting Hazelnut Kitchen and see how the food is prepared and also do cooking to learn how. There are approximately 15 students in this organization. After their presentation Mark presented them with a check for \$800 that was made from your BBQ with them.

Chelsa Starkweather was with us again this week and gave her presentation on the Maka Rudra's Foundation International. This is a foundation that Clelsa and her husband founded. We advised her that once she works with a Rotary Club in her area we might be able to partner with them for a Global Grant.

Mark suggested that the Adopt-A-Highway be done either just before or just after Grassroots.

On the last BBQ it was reported that we made \$900 and Mark suggested that we do a BBQ on June 20th.

A reminder that the golf tournament is coming up July 10th. Char is checking with Wegmans about \$100 again this year and Char and Mike are going to sponsor a hole.

Mark read the list of dates open for Movie Night. The nights open are:

July 29

August 5

August 12

The suggested movies to pick from are:

The approximate cost for the club would be between \$300 and \$400.

President Mark also suggested that we do a Visioning for the club to determine where we will be in 5 years and it will also give our members a chance to really know how our club works.
