The meeting was called to order and Past President Ben G. presided over the meeting in the absence of President Mark. Ben G. told us that he attended Maria's farewell party and met her father and two siblings. It was very nice. Ben also explained that Tom met the guests that are with us tonight through Youth Exchange.

The BBQ was a success as well as the debut of our BBQ chicken which is eloquently named "Ruby".

It was discussed that maybe next year we should pre-sell tickets on Graduation Weekend and then we could possibly do two flights.

Ben C. reported that the golf tournament is coming together in the usual Rotary fashion. We do need more prizes as we do not have quite enough for all team members. The Robotics team will be there to help along with their project that they did last year. Mike Brainard will be providing the food.

Ben C. also said that he is trying to nail down the Nepal project. On the club side we still need another \$1000 and we do have a club who probably will be adding \$500 so the balance will be \$500. A motion was made and passed for the club to provide the extra \$500.

Ben G. read a letter we received from Bob Ross our district grants coordinator. He told us that our application for \$2000 to help fund our Trumansburg Robotics club was approved at the District level and now we need to have Rotary International approve it. Hopefully we will know soon.

Darlynne reminded us about the YMCA fundraising project for an outdoor playground space. We would like to ask Frank Zgola if he would give a presentation on this to the club.

Bill told us that he picked up books from Trumansburg School and is going to pick up books from South Seneca on Tuesday. Now the warehouse is full and we will need to pack these books for Books for the World. It was suggested

that we have our July 17th meeting at Ehrhart's warehouse and pack the books. It will be Andrew and Baumann's turn to provide and it was suggested that we do pizza from Little Venice and Shursave.

Darlynne also told us that she has collected \$100 in coins at her Ithaca location for Polio Plus.

Our guest Jon Greene and PDG Tom exchanged Rotary banners.
