8/2/18	Andrew/Baumann
8/9/18	Barrett/Bouchard
8/16/18	Bullock/Bullock

President Mike began the meeting by thanking Durand for dinner and then asked Frank to introduce our guest speaker, Bill Cook who was speaking on the Harmful Algal Blooms. Bill is a member of the Community Science Institute. Bill gave a very interesting talk first on water sampling and testing and then on harmful algal blooms and how to spot them and where to report them. For more information on this [click here](#). A question and answer period followed which many community members and Rotarians, alike, asked questions.

The regular meeting followed and Cindy fined Durand \$10 for having a picture of him on the front page, in color and above the fold, in the *Tompkins Weekly*.

Cindy then awarded Mary Guy-Sell a Certificate of Appreciation for her tireless work on making the golf tournament a success.

Peggy reported that our club was awarded a \$2,000 grant for tree planting near the fairgrounds.

Frank reported that Lydia Overbaugh, daughter of Kathleen and Tom Overbaugh, will be speaking at the August 16th meeting on how Rotary has affected her life.

The meeting ended at 7:59.
