Prior to the regular meeting some of the club members met with DG Doug Larison and ADG Heidi Goldstein to discuss primarily what our club does for community projects and how the District can help.

The regular meeting was called to order by President Scott and he welcomed District Governor, Doug Larison and Assistant District Governor, Heidi Goldstein.

Frank Zgola announced that Nigeria has been one year Polio free.

ADG Heidi told us of the 9<sup>th</sup> anniversary of the Rotary Harvest.

*Editor's note: The entire story is posted on the District Website [www.rotarydistrict7170.org](http://www.rotarydistrict7170.org)*

Ben Curtis reminded us of the Foundation Seminar being held on September 26<sup>th</sup> at TC3. He will be meeting with the Dryden Rotary next Wednesday and invited us to attend, too.

Peggy told us that the *Ithaca Journal* put a nice "Thank You" to our major sponsors for the golf tournament.

DG Doug started his presentation with telling us that "The world where you serve is the world where you live." He then told us a little about Rotary International President, K.R. "Ravi" Ravindran. One of the things that connected Ravi early with Rotary is the fact that his mother survived Polio because, through Rotary, they were able to get her the help she needed. Right now the only countries in the world that have some Polio in them are Pakistan and Afghanistan.

DG Doug told us that our club is the banner club in the District for Foundation giving. He also told us to keep track of how much we volunteer for Rotary. All this adds up.

DG Doug then passed out to each member a Rotary date book and went over the Save the Date card. He also left enough books for any members that were not present.

The meeting was adjourned at 8:15.
