President Bill started the meeting and asked Cindy to talk about the Peony Project. A few ordering questions need to be clarified and then we will be set to order.

Bill talked about the Addiction Global Grant that is being presented at the Groton club on September 22nd. It was agreed to go to the meeting and, if necessary, we would invite Lana Rouff to come to one of our meetings to go over the Grant for our members who could not attend the Groton one.

President Bill then presented Ben Curtis with a Paul Harris +5 pin.

A Thank You was given to Mary Guy-Sell for a wonderful dinner.

Our guest speaker this week was Mike McGuire, Trumansburg School District Superintendent. Mike talked about the graduation rate and said that we did have a 100% graduation rate a couple years ago and hope to achieve that again this coming year.

There are approximately 80 students per grade level.

He is very proud of the Robotics team, thanks to the help of the Trumansburg Rotary.

Mike then showed us the new logos for the Trumansburg school athletics and went over the goals of the school for the coming year. He also told us that health insurance costs for a family is \$19,000 a year (school and employee) total. This is quite a chunk out of the budget.

Mike says that managing the District is a challenge but he loves it.

Shelly told us that one of our Exchange Students, Emily, from Denmark, will be arriving, Wednesday, August 24th at 6:16 pm at Ithaca. If you would like to be one of the first to meet Emily, please plan on being to the airport to welcome her.

Kathleen told us of an e-mail she received telling us about the flooding in Louisiana and that District 6200 was the hardest hit. She will research this more and report as to how we can help.

Meeting was adjourned at 8:03 pm.
