The meeting was brought to order by President Shelly. Bill Overbaugh gave a presentation on alternative fuel sources. Propane is the 3rd most popular fuel in the world. Approximately 190,000 autos use propane for their fuel. Trumansburg School District uses fuel for ½ of its fleet and has a big savings each year. Using propane also makes for a cleaner environment. The presentation was very interesting and we are hoping that Bill will be able to show this to other clubs.

This was Joy's last meeting as she is flying out Saturday at Ithaca airport. (*As of this writing, Joy is on her way home and we will all miss her. ☺*) Joy told us that she had a wonderful year and really appreciated being here and she plans on coming back in two years.

Don't forget the Triathlon Sunday, there is still time to sign up.

The Trumansburg Rotary web site annual payment of \$239.40 was brought up and a motion was made and seconded to continue with the site. The motion was passed.

Cindy passed out the latest directories to those in attendance and the rest will get theirs when they come to the next meeting.

Frank reminded us that the district is looking for team members for the GSE team going to Brazil. Frank has already put one applicant in for consideration and that is Cindy Rice who is the Outdoor Director of the Cayuga Nature Center.

Thank You notes for the Golf Tournament were passed out and prepared for mailing.

Meeting was adjourned.
