We discussed the results of the Visioning survey dates and November 1<sup>st</sup> seemed to be the best date for everyone and the next best was October 24<sup>th</sup> (which is the day before the Chris Bond Run). Now we will need to get the survey to all members and also get verification as to who will be the facilitator for the process.

A reminder that the Ride for Life BBQ will be Saturday, September 12<sup>th</sup>. We will only need cooks for this event. We only do cooking for this, all the rest is done by the Ride for Life Volunteers. If you can help with the cooking, please let Scott know.

Mike Brainard gave the club an update on the Chris Bond Run. He noted that the date of October 25<sup>th</sup> has been confirmed by everyone involved. Things are going along good. Mike is thinking of raising the registration fee to \$30 across the board to cover some of the costs and he is still looking for \$50 sponsors.

Shelly reported that our Exchange Student, Nina Coupez, from France, will be arriving at Ithaca airport this coming Thursday, August 27<sup>th</sup>, at 5:45 pm. Wouldn't it be nice if the club members could be there to greet her.

Darlynne told us that she saw on Facebook that Vitor Falavinha, from Brazil, had posted a tattoo that he recently got.

The caption read: *I might be far away but I carry Trumansburg with me now!*  
What a tribute to our Exchange program.

Frank showed us an article in the *Ithaca Times* about Taylor Frey, who was a former RYLA student from Trumansburg, who is now working at the White House as an intern in the White House's Office of Cabinet Affairs.

The meeting was adjourned at 7:45.
