President Bill opened the meeting by introducing our newest Exchange Student Emilie from Denmark

Bill then thanked Peggy and Mike for the dinner.

Peggy gave a report on the Farmers' Market where she set up a Rotary table the previous evening and talked about Rotary. She said several people inquired and showed some possible interest.

Kathleen asked is anyone wants to help coach one of the Robotics Clubs. You don't even have to know anything about science, just be willing to encourage students in their projects. If you are interested, please contact Kathleen and she will get you to the right person.

Cindy talked about the Peony Project and already has the first order. Please fill out the form that she sent last week and bring the completed form to the meeting along with a check. Hopefully we will get 100% participation. A little was talked about the club buying some for a community project. Peggy is going to check with the Library to see if they would like our club to buy some for the front of the Library.

Bill then asked Emilie if she would like to introduce herself. She told us that she came from a small town located in the middle of Denmark and she loves to play soccer.

Zoren then told us that our other Exchange Student, Rodrigo, from Brazil will be coming in Saturday at Ithaca airport around 10 am. If anyone would like to come and greet Rodrigo, you are welcome to do it.

Meeting was adjourned at 7:18 pm.
