President Mike began the meeting by introducing our guests, District Governor, Jeff Smith, Lydia Overbaugh and John Overbaugh and his wife.

Tom introduced his daughter, Lydia, who is an Assistant Professor at the University of North Carolina, Charlotte. She is a Professor of Anthropology. She studies Gibbons which are in the Ape family. Lydia told of her research of Gibbons in Thailand and different migration habits. She owes most of her success because of the influence of Rotary and showed us why with this chart. Lydia was a Youth Exchange Student to Thailand in 1997-1998.

District Governor, Jeff, presented a check to the Club representing \$1 for each member to be deposited in the Foundation in each member's name and \$1 for each member to be deposited in the Polio Plus in each member's name.

Jeff commented on Lydia's presentation and thought it worthy of International RI news.
