

TRUMANSBURG ROTARY MEETING MINUTES FOR 8/22/19

DINNER ON 8/28/19
Meeting at:
GARRETT'S BREWING
AT 6 PM!!!

President Mary called the meeting to order and introduced our guests: Michelle Gregio-Stillions, Vickie McDonald (Lola's host mother) Yesha (our Exchange Student from India in 2009) and her husband, Rishabh, and our new Exchange Student Lola, from Hungary.

We discussed the Middle School Open House that would take place Thursday, September 19th. The club decided to do a BBQ that evening.

The last BBQ sold out and we made just a little under \$900.

Dennis reported that, at the request of Durand and Sandy, we will be shutting down the GoFundMe page on Friday, September 23rd.

A note was read from Evan Kurtz asking for all 8 Rotary clubs in Tompkins County to have a few members to work on a Habitat for Humanity project on Slaterville Rd. in Ithaca on August 31st from 8:30 to Noon. Contact Evan if you are interested. emkurtz56@gmail.com

There is also a water project going on in India in February 2020. If you are interested in joining in, please let Mary Bouchard know and she will send you the information.

It was decided that we will meet next week at 6 pm at Garrett's for dinner. **Everyone planning on attending, please contact Cindy by Tuesday afternoon** and she will place an order with New York Pizzeria. We will have to go there and pick the order up and take to Garrett's. She will be ordering Meat Lovers and Vege pizzas.

The End Polio week was discussed, and Tom and Bill are working on that.

Yesha then gave a summary of what she has been doing since last being here. She got married and the wedding had around 600. Yesha's husband, Rishabh, was also a Rotary Exchange Student and he was located in Port Jefferson, NY. Yesha also explained that because of her time as an ES in T'burg she decided to be a Clinical Psychologist and got her Masters in that area. She was able to meet some of her friends she had here and enjoyed showing her husband around the area.

Lola has been here only one week, but she loves American food!!! Her favorite food so far is smores. She just loves them and can't get enough of them. She has also made many friends.

Meeting was adjourned at 7:52 pm

Avenues of Service

We channel our commitment to service at home and abroad through five Avenues of Service, which are the foundation of club activity.

-  Club Service focuses on making clubs strong. A thriving club is anchored by strong relationships and an active membership development plan.
-  Vocational Service calls on every Rotarian to work with integrity and contribute their expertise to the problems and needs of society. Learn more in [An Introduction to Vocational Service](#) and the [Code of Conduct](#).
-  Community Service encourages every Rotarian to find ways to improve the quality of life for people in their communities and to serve the public interest. Learn more in [Communities in Action: A Guide to Effective Projects](#).
-  International Service exemplifies our global reach in promoting peace and understanding. We support this service avenue by sponsoring or volunteering on international projects, seeking partners abroad, and more.
-  Youth Service recognizes the importance of empowering youth and young professionals through leadership development programs such as [Rotaract](#), [Interact](#), [Rotary Youth Leadership Awards](#), and [Rotary Youth Exchange](#).
