

## TRUMANSBURG ROTARY MEETING MINUTES FOR 8/23/18

8/30/18	Brats and Brews
9/6/18	Guthrie/Guy-Sell
9/13/18	Haine/Jimenez
9/20/18	Kain

President Mike began the meeting by introducing our guests, Dan Kidney, a former RYLA student and Byron, Zoren and Shelly's nephew.

A Thank You was given to Melissa and Mike B. for dinner.

Frank announced that due to unforeseen circumstances, our guest speaker could not make it. He will be scheduled at another time.

Frank, in turn, gave a presentation on RYLA and started with the history and then named some former RYLA students.

Dan Kidney spoke on his time in RYLA in 2005 and Zoren also spoke on this time in RYLA some 30 years ago.

President Mike awarded Melissa a grant for a Hoop House at the Trumansburg School, in the amount of \$600.

The club agreed to be an International Partner with Rotary District 3201 with a contribution of \$100 to provide water to families. Tom, Zoren and Shelly agreed to help with this.

A suggestion was made to have a BBQ and give the dinners to the relief workers of the flooded areas in Schuyler and Seneca Counties. We will decide later when to do this and the sooner the better.

Pres. Mike reminded us that next week we will be meeting at Brats and Brews for our dinner meeting.

Kathleen had an update on the last BBQ and we had around a \$2000 profit and around \$5400 from the Golf Tournament.

It was suggested that we give the Legion around \$100 for the use of their dining hall for the Antique Car Rally, of which, we made around \$1000.

Shelly informed us that Harsha, our exchange student from India, will be coming in Wednesday, August 29<sup>th</sup> at 5:41 pm. It would be nice if we were there to greet him.

Zoren explained that it is vital that we all help to find host families or we will not be able to participate in this program and this is a vital part of Rotary. Just a suggestion of someone would help. You never know how it will work out. It does not have to be families with children and it can also be families with only one parent.

Melissa reported that she met with some women in Tanzania about the water and sanitation grant we are trying to get going. They were very receptive to the idea and we will be going forth with the project once we get all the pieces lined up.

Frank suggested we donate \$100 to CSI to help with the algae problem. All agreed.

Tom suggested that members with points to give, give 100 points towards a Paul Harris Fellow for Tom Ferritti.

The meeting ended at 8:03.

A large, faint watermark of the Rotary International logo is centered on the page. The logo consists of a gear with a central emblem and the word "INTERNATIONAL" written across the bottom of the gear's teeth.
