President Scott began the meeting by introducing a visiting Rotarian, Lee Haefele, from the Ithaca Sunrise Club.

Our guest speaker this evening was Sue Stein, a Middle School Science teacher at Trumansburg. Sue had contacted Kathleen Overbaugh about helping fund her need for 22 pairs of binoculars at \$100 each for her science class students so they can learn more about birds in conjunction with the Ornithology Lab in Ithaca. This seemed like a very good project and a Rotary Community Grant is being looked into. Before Sue left she treated us to a look at her pet flying squirrel "Rocky". She had found him as an infant, five years ago and raised him. He goes to work and home with her every day and the students just love him.

Scott introduced our newest Exchange student, Nina, to the Club. Nina told us she arrived on August 27<sup>th</sup> from France. So far she had gone to the Adirondacks with her host family and many parties. She started school two days ago and likes it very much.

Scott reported that the Ride for Life is all set for Saturday the 12<sup>th</sup> and Frank said he will be treating anyone showing up to help, mooseburgers.

Ben C. reminded us that the Foundation Seminar will be September 26<sup>th</sup> at TC3 with registration starting at 8:30 am and the seminar starting at 9 am. It will end around 1 pm with a bag lunch and the cost is FREE!!!!

Cindy reminded everyone of the Foundation Dinner on Sunday, November 8<sup>th</sup> with our Rotary International President Ravi Ravindran as the guest speaker. She encouraged all club members to attend this exceptional dinner as not every District has the RI President attend their functions.

Cindy also reminded us of future Rotary Leadership Institute training sessions and the fact that it would be free to our members. To find a meeting you might like to attend go to [Rotary Leadership Institute](#).

Meeting ended at 7:58 pm.
