This week was a friendly and low key meeting held at Tom and Kathleen Overbaugh's newly remodeled home.

We all gathered around the dining room table and enjoyed our hamburgers and hot dogs while discussing Rotary business. Peggy first introduced her guest, Mary Guy-Sell who moved here from Utah.

Mike B. told us that we have 25 registrants for the Chris Bond Run already. All the web sites have been updated so you can register on line now. Ads are going out and we will have radio ads coming soon. Besides our major sponsor we also have 5 other sponsors for the t-shirts. If you know of a sponsor, please tell them that they have until October 1st to get their logo to Mike for inclusion on the t-shirt.

Mike is also looking for a place to house 3 to 4 timing people the night before the race. If you know of anyone who would be willing to do this please let Mike know.

Posters and registration forms were then passed out for everyone to take.

Mike suggested that we try to think of something we could do for the school as long as we are not going to be building the rolling soccer shelters.

Ben G. reminded us that the Relay for Life BBQ is this weekend. We start cooking at noon at Stewart Park

Darlynne said that next she should have an update on the car show in Ithaca.

Shelly recommended, with the hard time it is to find Exchange Student hosts, we only host one student next year. The club agreed. Although this is not what we want to do, we really don't have a choice.

We were having such a good time just sitting around and chatting in a casual manner that the meeting was adjourned at 8:30 PM.

After the meeting we all took a tour of the house, which is fantastic.
