Before the meeting we enjoyed a wonderful roast beef meal provided by the Legion. This week we discussed several events that were coming up or had reported on ones that had happened. The Ride for Life went well with only one real glitch that Ben Guthrie took care of. On his way to the Ride for Life hauling the supply trailer, he had a flat tire. Ben thought quickly and bought a new tire and continued on. Because of only one new tire, Ben suggested that the Club buy another one to match. The Club agreed.

The BBQ at Trumansburg school this coming week will start at 2:30. Bill will take care of the charcoal, Peggy will take care of supplies and Frank will pick up the bread and cabbage salad. This will take the place of our regular meeting. We will start serving at 5:30 and we will need members there to help.

Cindy told that the Peony Tree order had to go in Friday and needed orders now.

Darlynn informed us that District Governor Zoe Vandermeulen will visit our club on November 16th. So please plan to attend.

The meeting ended at 7:52.
