Meeting was brought to order at 6:30. President Mark reminded everyone that the Aides Ride for Life is next Saturday, October 13th. All we have to do is cook the chicken.

Because of the cancelled BBQ on August 23rd, Mark rescheduled it for September 27th. Kathleen told us that the Robotics club will help. More on this next week. The proceeds will be towards the general fund.

We were reminded that District Governor, Pat Kriebel, will be visiting our club on October 2nd and would like to meet with our board members at 6 PM.

Darlynne told us that some details have to be worked out with the Apple Harvest Festival and will inform us as details come together.

Mike Brainard told us that he talked with the timer and reconfirmed for the October 19th date. He will e-mail everyone the completed registrations and we can each print out and get started with signing people up. Mike suggested we try to get the registration fee when we talk to runners so we can start getting money in. A new revamped logo will also be coming. Mike has the design and will send it along with the registration form.

Mike asked us to try to get sponsors for the T-shirts and Bill will do the bibs.

Ben G. told us that he saw John Kotun last week and Martha is still in rehab but should be coming home soon. He is already mapping out his bike route.

Mike Jimenez told the club that he signed up for the Fit for Foundation Contest. That will be attached to the e-mail with this week's minutes.

Our newest Exchange Student was introduced. She is Andy from Mexico. Both Lennart and Andy were asked how their first week of school went and they said that they went to orientation on Wednesday and now are getting settled with a routine.

Mark also reminded us that we will be doing an Election Day BBQ again this year it will be November 4th.
