The meeting was brought to order by President Shelly.

Shelly reminded us of the Aides Ride for Life coming up on September 15th. Our volunteers need to be at Stewart Park by 1 pm to help with the cooking of the chicken. Anyone who can, please try to make it ,as many hands make light work.

Ben Guthrie reported that we made a \$910 profit on the chicken BBQ that we had on August 25th. Thank you to everyone who made this possible.

Cindy reminded us that our dues are due and there are several of you who have not paid yet this year. If you are unsure whether you have paid or not, please contact Cindy. Right now those people are 2 months past due.

The Femtastics from Trumansburg High School have asked us to do a chicken BBQ for them on October 20 for their Fall Festival. We will be cooking at the High School and it will be no cost to us. All we have to do is cook the chicken. We agreed this would be a good idea and also pair up with the Interact Club from the school to help.

Peggy Haine brought up that she would like to see some sort of criteria for our money and how it is spent. After a lengthy discussion a committee was formed consisting of Pres. Shelly, Treas. Ben G., Peggy and Ben C.

Joel Podkaminer addressed the club about the 6th Annual Chris Bond Run which will take place on Sunday, October 14th.

Joel would like to see someone from our Rotary Club to step up as co-chair of this event. Please think about this and let President Shelly know if this is something you would like to do for this year.

Joel stated they will be purchasing a timing service at the cost of approximately \$1000 because many runners want their times immediately and right now this is impossible to do.

We will need plenty of volunteers the day of the race. A spread sheet with duties that need to be filled will be sent out to all members soon for sign up.

We will also need plenty of gifts for everyone and garage sale "prizes" make the best gifts. It is intended to be fun for everyone.

There is a website but it is not updated yet, so as soon as it is updated I will post a link to it on our Rotary web site.

Mariana had a good week and had lots of fun. She went to Cornell and also saw our beautiful Taughannock Falls. The “highlight” of her week was starting school. ☺

Sebastian has been practicing soccer all week and he told us that his position on the soccer team is goalie. A schedule of the soccer games is posted on our web site. He visited Cornell and Taughannock Falls and happily started school, too.

Meeting was adjourned at 8:00.
