

## **TRUMANSBURG ROTARY MEETING MINUTES FOR September 17, 2020**

The club members present unanimously approved a \$100 contribution to Lana Rouff's request for personal care and sex education kits for young women in Nairobi Kenya, through Binghamton Charities.

We discussed what we might do to call attention to World Polio Day. Suggestions included a mayoral proclamation, and a press release documenting the end of polio in Africa. Frank Zgola suggested adding Ruth Lucas' polio story to the release.

Peggy asked where we stand with contributions to the Rotary Foundation. She will check with Mary Guy-Sell.

Tom agreed to contact the Legion about our continuing use of the meeting room there.

Rotary Island upcoming: Durand drove pipes into Rotary Island to support posts for future banners. The next banner (October) will be a Rotary salute to local farmers and food producers: buy local, eat local!

Durand reported on the location of the Tburg Class of '20 time capsule and said that Dusty Vanderzee has the coordinates for the capsule, which is buried on the fairgrounds.

It was agreed to get Bruce Babcock's approval to raise money at the next barbecue to help him cover veterinary expenses for the Seeing-Eye dog he had to put down. Durand will follow up.

The next chicken barbecue is Saturday, September 26. Tom, Kathleen, Zoren, Shelly, Durand, Mary Bouchard, and Peggy agreed to work the barbecue, and we're hoping others can help out too.

Neal has taken a leave of absence from the club while he deals with issues at school. We hope he can join us soon again.
