

Dear Friends and Family,

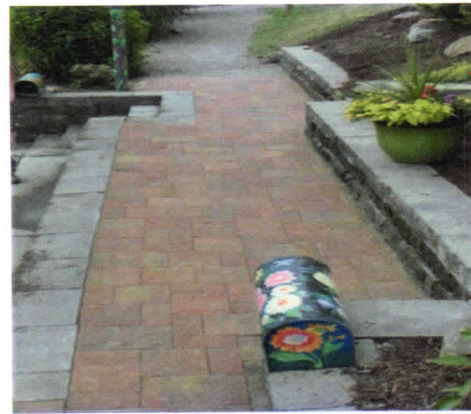

July 28, 2014

My Boy Scout Eagle Project at The Story Garden was a big success! It looks awesome! I cannot thank you enough for all your support! From your generous financial donations, to your work in the Garden, donating your cans and bottles for my cause or giving me words of encouragement, I thank you for helping me reach my goal!

Before

Mr. Kevin Rittenhouse, from Lawnsense Hardscapes, was my mentor who guided me through the process of hardscaping the 2 levels of the amphitheater. I certainly learned a lot from Kevin and Steve Kienes, who works with Kevin, and really appreciated their time and talents. My friends, family, and supporters taught me life lessons while working on this community project together. Thank you for being that support system to help me reach my financial goal of raising \$1500.00 for the materials and supplies. I want to make a special shout out to Mrs. Nancy Hargrave, Mr. & Mrs. Eric Wayman, Mrs. Mary Murphy Harrison, Mr. Paul Taylor, *all* the members of Troop 225 and parents who gave support, my Arrowmen and friends for coming out and putting the muscle behind the work. It was a great team effort!

After

I feel proud to not only have lead and worked with you as a team to accomplish the project, but to have given back to The Story Garden, a unique community play space! It took us 11 hours to finish the project and many more to do the prep work even before the work began. I invite you to stop by The Story Garden and see how the Garden has grown and improved because of your efforts and kindness. Again, thank you so much for your support of me and your generosity toward my Eagle Scout Project!

Most Sincerely,

Jonathan
