On behalf of the Vestal School Foundation Board of Directors, I want to thank you for your donation of \$350 for a team sponsorship at our 15th Annual Trivia Night fundraiser held on January 30, 2015. With over 200 people in attendance, the evening was a big success and we raised over \$8,000.00. Everyone seemed to have a good time!

As you are probably aware, the Foundation was able to award nearly \$22,000.00 in grants last year. Your participation in our Trivia Night Fundraiser will help us fulfill our goal of providing funds for creative and innovative educational programs.

By this letter, we confirm that under IRS regulations, your gift is tax-deductible, that you have received no goods or services in exchange for your contribution, and that the entire contribution is being used for the charitable purposes of the Foundation.

All participants will receive recognition on our website as well as in our annual report. It really means so very much to all of us at the Foundation to have your support -- what a great community we live in to raise and educate our children!

Thank you again for your donation, and your support.

Sincerely,

Lisa Kerns  
President
