Dear Friends,

At the end of 75 years, as we look forward to year 76, we pause to give thanks. We surely give thanks for the work that God has given us to do, but we also give thanks for you. Without your gifts to the Council of Churches we would not be able to help assist older adults to live independently in their own homes. We would not be able to feed the hungry or help those in jail to worship, improve their lives, and make better choices. Without your gifts we would not be able to show comfort and care to those who are going through some of the worst situations life has to offer them. Because of your generosity and thoughtfulness, we are able to touch the lives of thousands of people every year and demonstrate to them through humble service that they matter to God.

Thank you for participating with us in this holy cause. With the help of people like you, our next 75 years of service will be in good hands.

Peace and towels,
