Dear Andy,

On behalf of both the Food Bank of the Southern Tier and CHOW, we would like to thank you for your generous support of \$500.00 for the 6<sup>th</sup> Annual Canstruction® of the Southern Tier event, presented by Visions Federal Credit Union.

All proceeds to benefit:

The Canstruction® structures made entirely of canned food will be on display at the Oakdale Mall in Johnson City. This event helps gather valuable non-perishable food donations for the families we serve, as well as generate awareness about the issue of hunger and food insecurity.

All of the proceeds from Canstruction® of the Southern Tier will help support hunger-relief activities in Broome County. The Food Bank of the Southern Tier and CHOW work in partnership to leverage national, regional, and local resources to end hunger in our community. The canned food used in each structure will be distributed through CHOW to emergency food programs throughout Broome County including food pantries, soup kitchens, and other community meal programs. The funds raised will support both agencies' child hunger-relief efforts including the Food Bank of the Southern Tier's Backpack Program™.

Your support makes a difference in the lives of our neighbors who need it most. Thank you again for your generosity.

In partnership,

Rev. Dr. Joseph Sellepack  
Executive Director  
Broome County Council of Churches/CHOW
