Dear George,

We graciously thank you for your thoughtful donation of \$500.00 to the Danielle House as a charitable choice of the 2016-17 club president. We are honored, blessed, and continually awed by the enduring kindness of our donors. It brings to mind the Goethe quotation: *"Kindness is the golden chain by which society is bound together."*

And what greater kindness is there than to offer safe, secure accommodations, in a homelike atmosphere, to individuals far from home during healthcare crisis or treatment. During our 15 years of operation it has been our privilege to nurture more than 9,000 individuals, providing respite and comfort in their medical uncertainty and anxiety.

There are no words to express the gratitude of our organization and those we serve, but we share these thoughts from a recent guest who said: *"The comfort I found at Danielle House was so nurturing and relaxing. I was embraced by the stories that each guest shared for how they came here. I knew that I was not alone in my time of trial. I'll always remember and appreciate your home."*

Should you note any discrepancy in your donation information, please contact our office. And again, thank you for supporting our sacred mission.

Sincerely,

Diane P. Stento
Founder & Executive Director
