Dear Teri,

The Kopernik Society of Broome County, Inc. would like to thank you for your generous donation of \$100 to the Kopernik Observatory & Science Center.

Recognized as the largest public Observatory in the northeast, it is our mission to offer hands-on investigations using advanced telescopes, computers and other scientific tools to encourage K-12 students and adults to discover the wonders of the universe.

We are grateful for your support, which will enable us to continue to provide quality programs and advanced technology to further these goals. Your generosity will help guarantee that the Kopernik Observatory & Science Center remains a valued resource in the community for years to come.

With sincere appreciation,

Andrew J. Deskur  
Director, Kopernik Observatory & Science Center
