Dear Mr. Capobianco and Vestal Rotary Club:

Thank you so much for remembering Mom's House during the giving season with your very generous gift of \$500.00, on 12/19/16. We count our blessings for you and for all of the other wonderful people that support our organization. Your donation is deeply appreciated and will go directly to providing **free** licensed and **quality** childcare for single parents enrolled in school full-time.

We at Mom's House continually witness the life-changing effects a degree can have on those raising a child on their own. Education brings opportunity for a **brighter future** for both parent and child and it ensures financial stability and a more positive outlook. As a supporter of Mom's House, you must recognize these benefits of education as well. We thank you for caring and for sharing your resources to further the mission of Mom's House.

On behalf of everyone at Mom's House, thank you for your generosity and kindness. May you have a wonderful and blessed holiday season and happy New Year!

Sincerely,

Laura J. Bowen
Executive Director
