

## **Speaker:** The Rev. Henoc Lucien

Our speaker, a native of Haiti, received his college and seminary education in the U.S. Feeling the need to make a difference in his native land, he returned to Haiti in 1994 and began a church in his hometown of Cap Haitien. In time the ministry has grown under the auspices of the Evangelical Free Church into Vision of Hope Ministries. This ministry provides safe water systems, schools, orphanages, nutritional help, and micro-loans to help people to become self-sufficient. He says the ministry is holistic in nature as well as evangelical. He has established four more churches during the past twenty years.

## **Fine Master:** Dan was our fine master.

After a few fines for no badge and such he invited happy fines. Most notable was Dr. Ed's being thankful for being able to attend his 50<sup>th</sup> college reunion.

## **Announcements:**

- <sup>35</sup><sub>17</sub> Please remember to include Andre in plans. Consider a seasonal outing to help him understand our unique fall traditions.
- <sup>35</sup><sub>17</sub> Steve announced that after spending considerable time at the high school making students aware of our exchange student program they were able to interview six students of whom five are being invited to go on to the next stage of the selection process.
- <sup>35</sup><sub>17</sub> An open house event for prospective Rotarians is being planned for the near future. Begin thinking about who you might ask. It's been too long since we've added any new members. Each club member has been challenged to bring one prospective member to the event.

## **Dan's Joke Corner:**

I took the shell off my racing snail the other day, thinking it would make him run faster.

If anything, it made him more sluggish.
