

News Both Fit and Unfit!

Guest Speaker:

Jon Arron spoke about the Millennium Pipeline, and various facts about natural gas. There's always been a pipeline where Millennium is now, and now it is a 30 inch diameter of steel pipe with fusion bottled epoxy. It is also approximately 80 miles long. You can see things like a pipeline marker near it in your own line of sight as well. One of the biggest topics though, always call 811 before you dig!

Guests:

Jim Conlon - Matt's Father
Laura Conlon - Matt's Mother
Jon Arron - Millennium Pipeline
Michelle Arron - Jon's wife
