

News Both Fit and Unfit

Guest Speaker: Sheriff Dave Harder

Sheriff Harder spoke about three separate topics that are trending within the department currently. First, he spoke about drug take back boxes and the success that the Sheriff's department has had with them. Second was the yellow dot program. The yellow dot program allows the department to find critical contact information for a victim, or someone who suffered an accident at home. He said the best place to put this information was either the glove box of your car or the freezer. Lastly, he spoke about identity theft and how it is extremely important to screen not only your phone calls but your emails as well. He explained that the best way to spot fraud was to see if you were being asked to pay for something questionable. Always keep tabs on your credit report as well. At the end of his presentation he took questions about the Sheriff's office.
