

News Both Fit and Unfit!

Guest Speaker: John Schaffer – Town Supervisor

Supervisor Schaffer updated us on all the town business this week. Many businesses are looking to relocate to our area. The town is also in good fiscal shape and still growing. The town of Vestal

has only a 2% blight rate as well. The town hall is being renovated, a new hotel is coming in, perhaps a Chick-fil-A or Long Horn as well. The Town just purchased the old American Legion property and this will take the fire station off of the parkway and provide much greater functionality when calls go out. The ToV also has the lowest assessment in the area as well which is the reason it is still growing. There are many positive events on the horizon for Vestal.
