

News Both Fit and Unfit

Guest Speaker:

Jason Aurelio from Sentry Alarms was our guest speaker for the day. Sentry Alarms is locally owned and operated. Jason spoke about Sentry Alarms products and services along with some general safety information. Every 14.6 seconds a burglary happens in the US and 50% of fatal fires happen from 11pm – 7am. Which is when people are asleep, so having some type of security and protection is important.
