## Guest Speaker:

Our guest speaker was Melanie Pandich who is the Disaster Program Manager at the Western & Central NY Region American Red Cross. The Red Cross offers support through five distinct lines of service including Disaster Relief, Health and Safety, Service to the Armed Forces, International Relief, and Blood Services. They currently have an ongoing Home Fire Campaign in which Melanie handed out little flyers in which people in need can fill out to get free smoke alarms. On average 7 people die and 36 people are injured in home fires in the US every day.
