Stace Kintner brought an excellent video presentation on the Vestal Police Academy, which we were instrumental in originally funding. It has grown into a very successful program, run 2 weeks during the summer. During the past 7 years over 300 students have graduated. Approximately 50% go on into law enforcement, but all learn excellent leadership skills and community development skills.

In addition to having a full time resource Police officer at the High School, there will now be one at the Middle School starting this school year.

Guests:

TJ Serkiz, Stace Kintner and John Butler (Vestal Police Dept) and Sara Tarricone, prospective new member.
