Today's speaker is Joe Bicik

Joe was born and raised in Canton, Ohio and lived there for 35 years where he worked at Diebold Inc for 11 years after his US Navy military service. While working full time, he attended Kent State University from 1969 to 1970 when on May 4, 1970, the rioting and shooting took place on campus. He says he'd seen enough violence, and he immediately transferred to the University of Akron and graduated with a BS in Industrial Management/Engineering.

Joe was on his way to Albuquerque, NM, when he received two offers from Texas Instruments at a job fair in 1980. He was with TI for 18 years before their selling off major business entities. He worked 13 years for different companies before becoming a "salesperson" supporting Gayle (a 30-year Rotarian) in her sales role.

Joe and Gayle live in Murphy and are blessed to have a second home in Hideaway. Between them, they have four children, six grandchildren, and two great grandchildren. Other than playing golf and travelling (loving river cruises), Joe likes reading books with a spiritual flavor, especially by Dr. Robert Jeffress and Jerry Jenkins.

Joe was honored to have been chosen by the Honor Flight DFW to attend a special trip to Washington D.C. in June 2025, and he would like to share his experiences of this exciting trip.
