CREATE
LASTING
IMPACT

25 August 2026

Rotary is a global network of more than 1.2 million neighbors, friends, leaders, and problem-solvers who envision a world where people unite and take action to create lasting change — across the globe, in our communities, and in ourselves.

Today is a Club Assembly!

Today is dedicated to discussing Club business, reviewing ongoing projects, and planning future events.

We powered through the heat in the Special Abilities Village at the Love Thy City event in Tyler on Saturday to support Sparrows Matter!

Today is National Banana Split Day

The banana split was invented in 1904 by 23-year-old apprentice pharmacist and soda jerk David "Doc" Strickler at the Tassell Pharmacy in Latrobe, Pennsylvania. He sliced a banana lengthwise, nestled three scoops of vanilla, chocolate, and strawberry ice cream between them, and added unique syrups, toppings, and a cherry. He priced his new creation at 10 cents—double the cost of a standard ice cream sundae at the time.
