CREATE
LASTING
IMPACT

4 August 2026

Rotary is a global network of more than 1.2 million neighbors, friends, leaders, and problem-solvers who envision a world where people unite and take action to create lasting change — across the globe, in our communities, and in ourselves.

Today's guest speaker is Shannon Jones with the East Texas Council on Alcoholism & Drug Abuse

Shannon Jones serves as a Naloxone Education Specialist with the East Texas Council on Alcoholism and Drug Abuse (ETCADA). Drawing from her own experience in long-term recovery, Shannon brings a unique perspective, deep compassion, and authentic understanding to her work in substance use prevention and overdose education. She conducts educational presentations throughout East Texas, training community members, organizations, first responders, and businesses to recognize the signs of an opioid overdose, implement overdose prevention strategies, and properly administer Naloxone (Narcan®)—a life-saving medication that can rapidly reverse the effects of an opioid overdose. Shannon is passionate about reducing stigma, increasing public awareness, and equipping communities with the knowledge and tools needed to save lives. Through education and outreach, she is committed to making a meaningful difference in the fight against the opioid epidemic.

Help Us Find Our Next Service Project! One of our goals this Rotary year is to organize meaningful, hands-on service projects that make a positive impact in our community while strengthening the fellowship within our club. If you know of a school, nonprofit, church, community organization, or individual who could use a helping hand, we'd love to hear about it! No project is too big or too small. Service projects also provide the perfect opportunity to invite a friend, colleague, or prospective member to volunteer alongside us. There's no better way to experience Rotary than by serving others together. Please keep your eyes and ears open and share your ideas—we're always looking for new opportunities to put Service Above Self into action.
